

DW Reporting Announce Partnership with LexisNexis

DW Reporting partner with LexisNexis Enterprise Solutions to deliver LexisOne™ BI services.

DW Reporting announced today that it has become a Services Partner with LexisNexis® Enterprise Solutions to assist with the delivery of legal BI and reporting services for the LexisOne™ enterprise resource planning solution powered by Microsoft Dynamics® AX.

“LexisOne is a leading legal ERP solution and we are happy to provide next generation business intelligence and reporting services to LexisOne clients,” comments Dan Wales, Managing Director of DW Reporting. “Since our inception in 2013 we have provided services to many large and international law firms with complex business intelligence requirements.”

“Firms investing in LexisOne will now be able to access comprehensive and strategic legal BI consultancy services to aid their rollout and ensure they maximise the benefits of implementing an enterprise ERP solution,” continues Wales, “Our service offering is unique in this market and is a perfect fit with LexisOne client requirements both now and in the future.”

“The partnership with DW Reporting assists Lexis in offering a full portfolio of BI and reporting services to our clients which further enhances our value proposition and market leading approach to supporting the provision of legal services,” said Laura Whitehead, Head of LexisNexis Enterprise Solutions. “We are looking forward to working with the DW Reporting consulting team in delivering our solutions to customers.”
