## DW Reporting announce Freshfields Evaluate win

*Magic Circle Firm selects DW Reporting's matter pricing solution 'Evaluate'*

DW Reporting, an international leading provider of Financial Business Intelligence and Matter Pricing software are delighted to announce that Freshfields Bruckhaus Deringer LLP (Freshfields) has selected Evaluate to provide their users with an effective, timely and comprehensive insight into their delivery of legal transactions, along with the ability to accurately and intuitively price, track and manage the performance of matters within the firm.

“After a rigorous and competitive RFP process we are honoured that Freshfields has selected our market-leading pricing solution, Evaluate to support their on-going matter budgeting requirements, becoming our biggest Evaluate client. With an integrated platform, alongside Elite 3E, Freshfields will be providing their user base with the ability to make timely and continuous informed business decisions, as well as supporting proactive client discussions. We look forward to working with the Freshfields project team in what will be a very, exciting and successful project.” says Dan Wales, Managing Director of DW Reporting

“DW Reporting are seeing a huge demand for Evaluate, and this further cements our position as a market leading pricing application, with a 10+ wins during 2017 to-date in both the UK and North America. This year alone we have brought 20+ new features to the platform, which have entirely been driven by our clients and prospects, we aim to continue to deliver and exceed our clients expectations with this product, and are firmly on our way towards our goal for Evaluate to become the de-facto market offering” concludes Wales.
